

Why choose us?

- Loreto College St Stephen's Green offers a contemporary educational experience rooted in the core values of the Loreto tradition.
- Each student is treated as an individual, is encouraged to achieve her academic potential and develop into a well-rounded person.
- The relationship between teachers and students is open, relaxed and respectful.
- There is a strong student support structure with a Pastoral Team, Year Head Team and SEN Team.
- Students have a voice in the leadership of the school through membership of committees and a vibrant Student Council.
- A wide subject choice is available and class sizes are small.
- 1st Year students are provided with a varied induction programme to assist with the transition to second level.
- The Learning Support Department is staffed by qualified personnel who work with parents and students to maximise students' potential.
- A diverse co-curricular and extra-curricular programme is on offer for every student.
- The spiritual lives of students are nurtured and opportunities are provided to work on social justice outreaches.
- Partnership with parents is promoted through regular communication and through the work of an active Parents' Association.
- Our students travel from all over Dublin, Meath, Kildare, Wicklow.
- Our location in the city centre provides opportunities for learning beyond the confines of the school.
